

Tzeporah Berman On Her New Book This Crazy Time

**Monday, March 26, 2012
5:30 – 7:00 PM
215 Spadina Avenue., Suite 120, Toronto**

From one of our most controversial campaigners, *This Crazy Time* is passionate, profound, inspiring and funny. Part manifesto from a leader, part humorous activist memoir from a soccer mom – it offers a wryly honest, behind the scenes, ultimately uplifting look at the state of the planet.

For almost 20 years, Tzeporah Berman has been one of our most influential environmentalists. A founder of ForestEthics and currently Greenpeace International Climate and Energy Co-Director, she was instrumental in shaping the tactics and concerns of the modern environmental movement.
